Director's Note

Dear Parents,

Summer is always my favorite time of year as Summer Arts Camp fills the building with enthusiastic young artists. Summer Arts Camp at the Minnetonka Center for the Arts (MCFTA) provides a unique opportunity for children to experience a professional art studio environment and learn from working artists.

The visual arts play an important role in child development, building character as well as skills. While campers experiment with new techniques and materials, they are exercising problem-solving skills, developing fine motor abilities and gaining confidence in their own talents and abilities that will spill over into schoolwork and other endeavors.

Running for 11 consecutive weeks from June through August, the Minnetonka Center for the Arts Summer Arts Camp surpasses all other programs in the number of options, scope of art forms taught and scheduling flexibility. With weekly camps for ages 7 to 15, and combinable daily options for ages 5 to 6, our camps can be easily slotted in with other activities to create an inspiring and educational summer experience, beginning to end.

The value of Summer Arts Camp lies in the quality of the art projects and the credentials of our Artist-Instructors. Our mission is to deliver visual arts education to the broadest possible audience, so we work hard to keep our per-hour price as low as possible and make scholarships available. Contact the Registrar if you need more information and be sure to register early! Many classes fill quickly and we hate to disappoint!

Best wishes for a creative summer!

Sincerely,

Roxanne L. Heaton, Executive Director
