WELCOME

Summer is always my favorite time of year as Summer Arts Camp fills the building with enthusiastic young artists. Summer Arts Camp at the Minnetonka Center for the Arts (MCFTA) provides a unique opportunity for children to experience a professional art studio environment and learn from working artists.

The visual arts play an important role in child development, building character as well as skills. While campers experiment with new techniques and materials, they are exercising problem-solving skills, developing fine motor abilities and gaining confidence in their own talents and abilities that will spill over into schoolwork and other endeavors.

Running for 11 consecutive weeks from June through August, the Minnetonka Center for the Arts Summer Arts Camp surpasses all other programs in the number of options, scope of art forms taught and scheduling flexibility. With weekly camps for ages 7 to 15, and combinable daily options for ages 5 to 6, our camps can be easily slotted in with other activities to create an inspiring and educational summer experience, beginning to end.

The value of Summer Arts Camp lies in the quality of the art projects and the credentials of our Artist-Instructors. Our mission is to deliver visual arts education to the broadest possible audience, so we work hard to keep our per-hour price as low as possible and make scholarships available. Contact the Registrar if you need more information and be sure to register early! Many classes fill quickly and we hate to disappoint!

Best wishes for a creative summer!

Sincerely,

Roxanne L. Heaton, Executive Director

SUMMER ART SAMPLERS

AGES 7-12B+C/Ages 7-12

(1 class) \$42 Members / \$47 Non-members

Give the Art Center a try with summertime-inspired art projects. Many of these sampler classes introduce art media and techniques that are offered as week-long classes later in the summer.

COLOR LAB

AGES 7-12

See how colors can blend, swirl and pop in our paintings. Colorful marbling and kaleidoscopic effects will inspire this camp. Sample activities include a wet-into-wet watercolor abstract painting or a complementary color pet portrait. Enrollment limited to 12. (Groups B & C)

FS01AM22 Tuesday, July 5, 9 a.m. - Noon

STILL LIFE DRAWING

AGES 7-12

Let's make 2-D drawings come to life through texture. Learn how to easily create texture in drawings by varying pencil strokes, using hatch marks and building up tone. We will further develop our landscapes with collage layers of paper, paint or mixed media. Enrollment limited to 12. (Groups B & C)

FS01PM22 Tuesday, July 5, 1 - 4 p.m.

Art Project Pickup

Campers are so proud of their completed artwork! Yet some ceramic and glass projects need firing and can't be taken home until later. Instructors will provide specific pickup information. Please pick up children's projects on time, typically three weeks after class end. We strongly recommend that you bring your child with you to help identify their project. All unclaimed items will be recycled after September 30.

MIXED-MEDIA MASKS

AGES 7-12

Let's make masks from paper, paints, fiber and found objects that can be either representational or abstract. You will sculpt, paint and decorate your mask bases, transforming them into colorfully-patterned masks that will be a treat to wear. Enrollment limited to 12. (Groups B & C)

FS02AM22 Wednesday, July 6, 9 a.m. - Noon

HAPPY WATERCOLORS

AGES 7-12

Let's make our watercolor paintings even livelier by focusing on texture! Instead of just using our brushes, you will dab, sponge and add simple ingredients while the paint is wet to make the surface texture exciting. Let's embrace both the expected and unexpected results of watercolors. Enrollment limited to 12. (Groups B & C)

FS02PM22 Wednesday, July 6, 1 - 4 p.m.

ECO-ART FASHION

AGES 7-12

Fashion accessories and jewelry take an eco-art tilt in this sampler. You'll see how upcycled t-shirts, magazine paper, bottle caps and wire can become fashionable accessories like one-of-a-kind necklaces and bracelet cuffs. Experiment with color and design in this class and celebrate the earth! Enrollment limited to 12. (Groups B & C)

FS03AM22 Thursday, July 7, 9 a.m. - Noon

WEAVE IT!

AGES 7-12

Using a simple loom and a treasure trove of colorful yarns and fabric strips at the art center, you'll create a woven art piece. Learn the basic vocabulary of weaving such as warp and weft yarn, plain weave, playing with texture and pattern by adding rya knots or upcycled fabric, and finishing a piece so it's ready to hang on a wall. Enrollment limited to 12. (Groups B & C)

FS03PM22 Thursday, July 7, 1 - 4 p.m.

MOSAIC ART

AGES 7-12

Experience the art of mosaic, creating images by arranging small pieces, or tesserae, which can be made from ceramic, glass, trinkets and more. Make a mosaic board keepsake using decorative and shiny objects from glass gems to vintage buttons. Enrollment limited to 12. (Groups B & C)

FS04AM22 Friday, July 8, 9 a.m. - Noon

ABSTRACT PAINTING

AGES 7-12

Let's expand our painting horizons with this abstract painting class inspired by Spanish artist Joan Miró. You will paint with a primary color palette, and create organic shapes and eye-catching symbols in your art. Enrollment limited to 12. (Groups B & C)

FS04PM22 Friday, July 8, 1 - 4 p.m.

INUIT ART

Kenojuak Ashevak (1927-2013) was an Inuit artist whose prints, drawings and paintings are widely celebrated in Canada and around the world. While living in Cape Dorset, Canada, she drew animals and birds from her imagination, and these designs became relief prints and even stained glass. The morning class will use colored pencils, markers and watercolor paint to create artwork inspired by Ashevak's *The Enchanted Owl*. The afternoon class will see Ashevak's *Wolves in Spring* print, and then create wildlife prints of their own. Enrollment limited to 12.

Raoul Dufy (1877-1953) was a French artist who painted colorful scenes of the French Riviera and festive outdoor events like parades and boat races. Dufy also designed ceramics and textile patterns and painted public art murals like the Electricity Fairy for the 1937 World's Fair. The morning class will paint sandy beaches, palm trees and blue skies like Dufy's paintings of the French Riviera. The afternoon class will paint open-air social outings filled with interesting spectators and backdrops. Enrollment limited to 12.

LIVING IN COLOR

Our palettes will be awash in color from vibrant hues to pastels. Learn how colors can harmonize together, and play up each color's aspects to impact the whole mood of a piece. Our inspiration comes from the British painter, printmaker, photographer and stage designer, David Hockney. Hockney creates bold Pop Art paintings, such as the California pool-side setting in *A Bigger Splash*. Experiment with color and make your own splash in the art world. Enrollment limited to 12.

Morning sessions: 9 a.m. - Noon
Lunch/play break: Noon - 1 p.m.
Afternoon sessions: 1 - 4 p.m.

Campers must be picked up promptly at the end of class. Late fees are charged at 15 minutes or more (see below).

Age Policy

All Summer Arts Camp projects are carefully developed to be age appropriate according to the Lowenfeld stages of artistic development. In order to ensure a positive and successful camp experience for everyone, there are no exceptions on placement. The age groups as defined are firm. Children must have reached the minimum age by the date of the first class. Documentation of age may be required.

Lunch & Snack Breaks

All classes take a 15-minute supervised snack break halfway through class. Campers participating in full-day classes take a one-hour, supervised lunch break. Pack a bag lunch and snack.

Please notify us at least three weeks in advance if your child has special dietary issues that may affect the other campers and we will do our best to notify parents of the issue. **Please note: The Art Center is NOT a peanut-free facility.**

Camp Attire

Summer Arts Camp classes use high-quality arts materials for all projects. As some pigments and materials may stain, please dress your children in appropriate clothing. The Art Center is not responsible for clothing that is damaged in art classes. Children will play games outdoors during snack and lunch breaks, weather permitting. Please dress your children in appropriate clothing and footwear for outdoor play (closed-toe athletic shoes are best).

Art Project Pickup

Campers are so proud of their completed artwork! Yet some ceramic and glass projects need firing and can't be taken home until later. Instructors will provide specific pickup information. Please pick up children's projects on time, typically three weeks after class end. We strongly recommend that you bring your child with you to help identify their project. **All unclaimed items will be recycled after September 30.**

Camp Instructors

Summer Arts Camp Instructors are all college graduates who are either teaching artists or art educators. Camp assistants and interns are college students currently enrolled in studio art or art education courses. Every class has an assigned instructor and many have assistants.

Camp Pricing & Scholarships

Prices are provided with class descriptions. You'll notice that the prices for Art Center members are 10% less than non-member prices.
