# WELCOME

Summer is always my favorite time of year as Summer Arts Camp fills the building with enthusiastic young artists. Summer Arts Camp at the Minnetonka Center for the Arts (MCFTA) provides a unique opportunity for children to experience a professional art studio environment and learn from working artists.

The visual arts play an important role in child development, building character as well as skills. While campers experiment with new techniques and materials, they are exercising problem-solving skills, developing fine motor abilities and gaining confidence in their own talents and abilities that will spill over into schoolwork and other endeavors.

Running for 11 consecutive weeks from June through August, the Minnetonka Center for the Arts Summer Arts Camp surpasses all other programs in the number of options, scope of art forms taught and scheduling flexibility. With weekly camps for ages 7 to 15, and combinable daily options for ages 5 to 6, our camps can be easily slotted in with other activities to create an inspiring and educational summer experience, beginning to end.

The value of Summer Arts Camp lies in the quality of the art projects and the credentials of our Artist-Instructors. Our mission is to deliver visual arts education to the broadest possible audience, so we work hard to keep our per-hour price as low as possible and make scholarships available. Contact the Registrar if you need more information and be sure to register early! Many classes fill quickly and we hate to disappoint!

Best wishes for a creative summer!

Sincerely,

Roxanne L. Heaton, Executive Director

Art Project Pickup

Campers are so proud of their completed artwork! Yet some ceramic and glass projects need firing and can't be taken home until later. Instructors will provide specific pickup information. Please pick up children's projects on time, typically three weeks after class ends. We strongly recommend that you bring your child with you to help identify their project. **All unclaimed items will be recycled after September 30.**

Camp Attire

Summer Arts Camp classes use high-quality arts materials for all projects. As some pigments and materials may stain, please dress your children in appropriate clothing. The Art Center is not responsible for clothing that is damaged in art classes. Children will play games outdoors during snack and lunch breaks, weather permitting. Please dress your children in appropriate clothing and footwear for outdoor play (closed-toe athletic shoes are best).

Camp Instructors

Summer Arts Camp Instructors are all college graduates who are either teaching artists or art educators. Camp assistants and interns are college students currently enrolled in studio art or art education courses. Every class has an assigned instructor and many have assistants.
